COME AND EXPLORE!

The Connecticut River—fourth largest in the U.S. stretching from the Connecticut River to Long Island Sound—sustained life in the Gateway Towns of the Pioneer Valley for centuries. The ample waters nourish farm fields and forests and sustain life in the Gateway towns of the Pioneer Valley for centuries. The ample waters nourish farm fields and forests and have been cradled in an environmental context that’s been shared in new, unique ways from Northfield to Tanners Falls.

Hike Our Hills

Parallel to the majestic Connecticut River, the New England Greenway offers a beautiful scenic trail for hikers and runners alike. The Greenway is an interconnected system of trails that connect the town of Northfield to Tanners Falls and beyond.

Picnicking at Northfield's Recreation and Environmental Center (NMREC) (see display ad, map)

The Notch Recreation and Environmental Center offers a variety of picnic and recreational areas. The center features a large picnic area with tables and grills, as well as a walking trail that runs through the forest.

Winter Fun

In addition to outdoor recreation, the Notch Recreation and Environmental Center offers a variety of indoor activities for visitors of all ages. These include family-friendly programs such as nature walks and bird watching, as well as more advanced classes such as backcountry snowshoeing and cross-country skiing.

Northfield Trails Association

The Northfield Trails Association is a nonprofit organization that promotes and preserves the area's hiking trails. They offer guided hikes and workshops to help hikers improve their skills and knowledge of the surrounding landscape.
